## Report of Principal and School Improvement Council

In our effort to improve student achievement, the instructional focus for the 2007-2008 school year was to increase scores of Basic, Proficient, or Advanced in ELA and Mathematics through the implementation of Classworks and Differentiated Instruction. Our Reading Recovery teachers were instrumental in assisting and sharing best practice strategies with our Kindergarten and second grade teachers. The Literacy Spot criteria was used in the classroom as a guideline for providing our students with literacy tools. Our teachers actively participated in district and school-sponsored staff development as well as attended conferences.

Our School Improvement Council (SIC) and Parent Teacher Association (PTA) teamed up and provided monthly family meetings which gave parents and students opportunities to become actively involved in our school programs. Because of the joint effort of SIC and PTA our parent volunteer program grew tremendously. Parents volunteered for field trips as well as assisted teachers on a consistent basis in the classroom. One key "best practice" that we piloted this year was the single-gender initiative for our fifth graders. Students, teachers and parents alike found the single-gender initiative to be one which lifted barriers for both girls and boys. We also continued with our inclusion program which assisted in the social and academic growth and development of both special needs students as well as general education students. Members of the community were involved in such activities as Heritage Night, Career Day, American Education Week, Red Ribbon Week, Children's Book Week and Field Day. The SIC sponsored a Back To School Bash and the One Hundredth Day Celebration which featured over 170 men for lunch.

Wilder students are provided opportunities to be well-rounded through the various extra-curricular activities offered by teachers. Clubs such as student council, first priority, drum club, growing gardeners, jump rope, fitness and dazzling dancer's club involved students in grades Kindergarten through fifth. In addition to clubs we offered for the first time football and basketball.

Finally, on behalf of the faculty and staff of Wilder Elementary school, it is with great honor that we announce Courtney Geddings as the 2008-2009 Teacher of the Year. Mrs. Geddings is a second grade teacher at Wilder and we are proud to have her represent our school and district.
